

Coding Contribution Release 2

Team 14 – Community Organization (Yee Chen Fong n9602976)

My contribution in terms of coding in Release 2 is more towards fixing bugs and appending my teammates existing code.

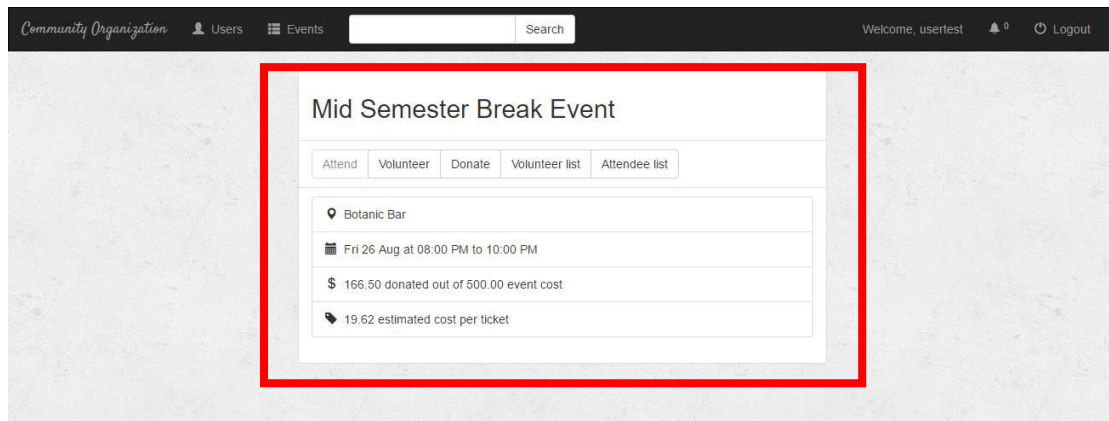

Figure 1. Event Page (eventPage.html)

My job is to mainly fix the syntax and logic errors for the Django views in the `events/views.py`.

Moreover, I have contributed a bit in coding the display layout of the event information details page.

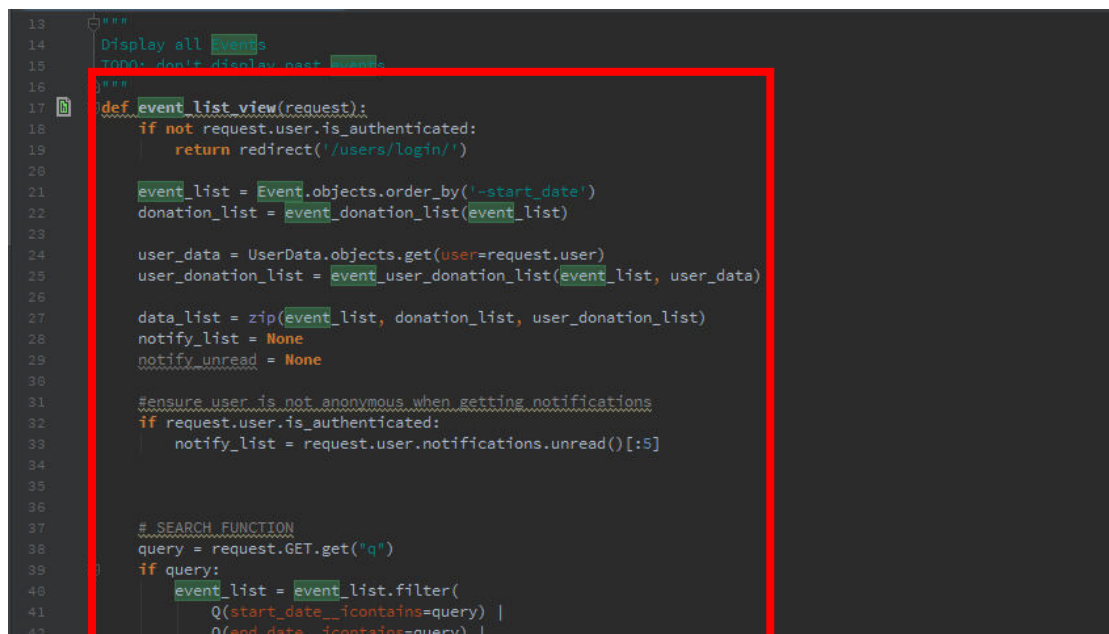

Figure 2.1. Code involvement in the views for Event information details page
(events/views.py)

```

43         Q(event_name__icontains=query) |
44         Q(event_location__icontains=query)
45     ).distinct()
46     donation_list = event_donation_list(event_list)
47     data_list = zip(event_list, donation_list, user_donation_list)
48
49     context = {
50         'data_list': data_list,
51         'user': request.user,
52         'notify_list': notify_list,
53     }
54
55     return render(request, 'events/eventIndex.html', context)
56

```

Figure 2.2. Code involvement in the views for Event information details page (events/views.py)

Lastly, I have also contributed in creating a splash page for the Community Organisation website.

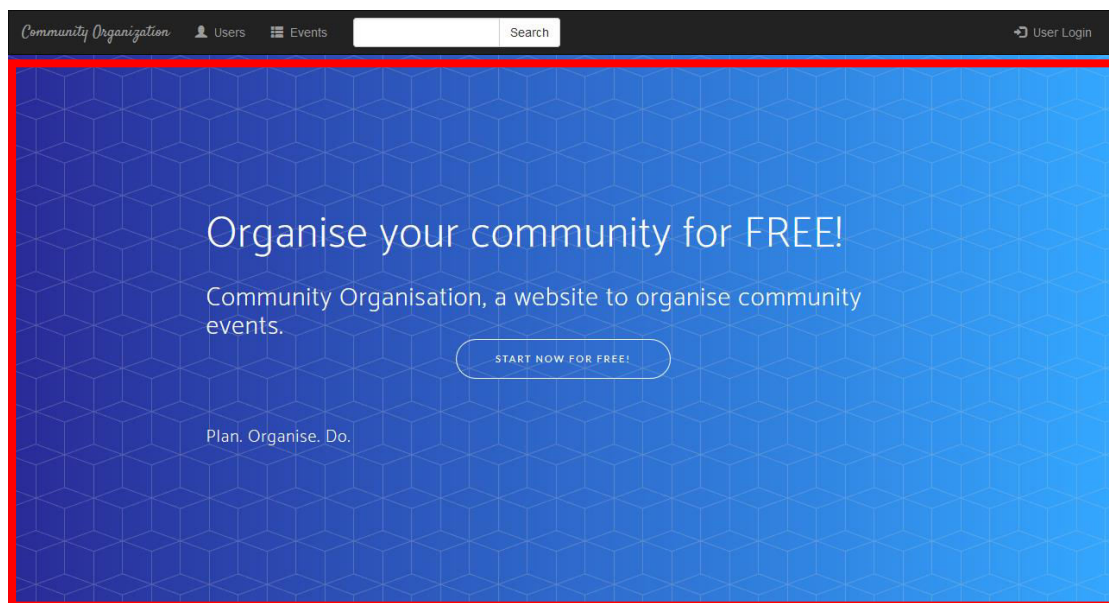

Figure 3. Splash Page – initial stage (splash.html)

```

1  section#splash.splash  div.container-fluid  div.row  div.col-md-8.col-md-offset-2  div.header-content  div.h
2  {% extends 'events/base.html' %}
3  {% block event_list_active %}active{% endblock %}
4
5  {% load bootstrap3 %}
6
7  {% bootstrap_css %}
8
9  {% block body %}
10     <section id="splash" class="splash">
11         <div class="container-fluid">
12             <div class="row">
13                 <div class="col-md-8 col-md-offset-2">
14                     <div class="header-content">
15                         <div class="header-content-inner">
16                             <h1>Organise your community for FREE! </h1>
17                             <h2>Community Organisation, a website to organise community events.</h2>
18                             <div class="text-center">
19                                 <a href="{% url 'user_view' %}" class="splashbtn">Start Now for Free!</a>
20                             </div>
21                             <h3>Plan. Organise. Do. </h3>
22                         </div>
23                     </div>
24                 </div>
25             </div>
26         </div>
27     </section>
28
29 {% endblock %}

```

Figure 4.1. Involvement in coding splash.html

```

15  section.splash{
16      position: relative;
17      width: 100%;
18      min-height: 100vh;
19      overflow-y: hidden;
20      background: url("images/bg-pattern.png"), #142997;
21      /* fallback for old browsers */
22      background: url("images/bg-pattern.png"), -webkit-linear-gradient(to left, #34a8ff,#292a97);
23      /* Chrome 10-25, Safari 5.1-6 */
24      background: url("images/bg-pattern.png"), linear-gradient(to left, #34a8ff,#292a97);
25      /* W3C, IE 10+ / Edge, Firefox 16+, Chrome 26+, Opera 12+, Safari 7+ */
26      color: white;
27  }
28  section .header-content{
29      padding: 150px 0;
30  }

```
